01 EMPORIO ARMANI COLLECTION

VESPA 946 EMPORIO ARMANI: THE PERFECT MATCH YEARLY FASHION COLLECTION VESPA AND ARMANI FIRMLY BLEND TWO OPPOSITES: STYLE AND TECHNOLOGY

characterized by:

An exclusive limited and numbered edition
New exclusive exterior dark green matt color
Exquisite genuine leather saddle and handlebar grips
New rims' color
Bronzed chrome color finishes
Lateral customized aluminum round plate with Armani logo
Exclusive Armani logo on the headlamp

The customer will be introduced to the "Vespa 946 Emporio Armani" with a special treatment.

After the order, he will receive the "Welcome kit", a special gift that welcomes him into the Vespa 946 Emporio Armani's "world".

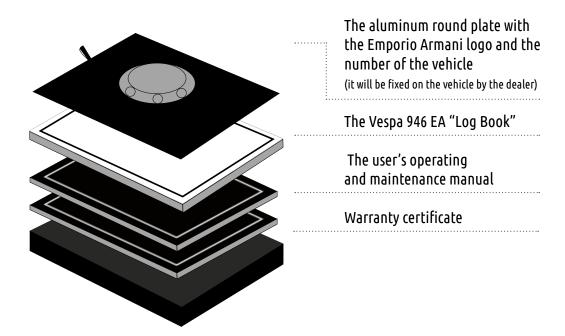

The Vespa 946 Emporio Armani's delivery will be celebrated with another special gift for the customer.

The "delivery gift" will be shipped with the vehicle in a separated wooden box and given to the customer by the dealer during the "Delivery Ceremony".

The "Delivery gift" box includes:

VESPA 946 EMPORIO ARMANI

In addition to the solo saddle, the customer will receive, as a gift, an even more exclusive saddle, which transforms the new single saddle into a very elegant and refined dual saddle. The second saddle is made of the same exquisite leather of the solo saddle.

VEHICLE COLOR: Dark Green Matt (336/A)

SADDLE: BROWN LEATHER

HANDLEBAR GRIPS: BROWN LEATHER

ENGINE: 125 cc Lem 3v i.e.

VESPA 946 EMPORIO ARMANI DISTILLS ELEGANCE AND LUXURY
THROUGH TIMELESS LINES.
IT IS AN ITALIAN BEAUTY.

HANDLEBAR

The handlebar is made of aluminum. It is extraordinarily slim with special bronzed chrome color finishes.

SADDLE

Vespa 946 Emporio Armani has a unique single saddle mounted on an aluminum support, covered with the same prestigious brown leather used for the handlebar grips.

HANDLEBAR GRIPS

Mounted on the aluminum handlebar, and made of brown leather, the grips are adorned with precious stitches coordinated with the saddle.

RIMS
New colored finishes for the very exclusive
12 inches separable wheel rims.

LIMITED EDITION

Emporio Armani personalization:
Special finishes and customization by Giorgio Armani
fashion house. The body paint must be handled with care,
following the suggestions in the user's handbook.

ASR (Anti Slip Regulation) System
Vespa 946 Emporio Armani is equipped with an advanced electronic traction control system that prevents the slippage of the rear wheel, ensuring the best traction in every road condition.

FOREVER EVER

Vespa 946 Emporio Armani represents
the best of Italian craftsmanship.
Vespa 946 Emporio Armani is more unique
and more exquisite than any other vehicle.
The ground-breaking design, the steel frame assembled with up to
320 welding points, the value of the aluminum elements and the
Emporio Armani personalization ensure that Vespa 946
will remain a timeless jewel.

03 ACCESSORIES COLLECTION

This extraordinary model could only come with a wealth of quality accessories.

From the bags to the handle grips and protection covers, every item has been designed, developed and tested with the same taste and care as the Vespa 946 Emporio Armani itself.

The opportunity to enhance the scooter with exclusive details is a privilege and a further exercise in style.

LEATHER BAG

606325M

Premium leather bag, made in Italy, purposely designed by Emporio Armani for Vespa 946. Internal zip pocket, Emporio Armani - Vespa 946 logo. It can be easily and quickly fixed to the rear rack through Tenax automatic buttons.

Support kit required (606330M)

LINEN SADDLE COVER

606326M

Tailor-made linen cover for the saddle. The kit includes a longer version for the passenger saddle.

Emporio Armani - Vespa 946 logo. To be used only when vehicle is parked. Do not sit when applied on saddle.

HELMET SACK

606327M

Dedicated helmet sack, reversible: Summer side in linen, rain-proof side in nylon. Anti-theft cable wrapped in leather. Emporio Armani - Vespa 946 logo.

HELMET

- Specific exterior paint, highly resistant to atmospheric agents.
- Emporio Armani Vespa 946 bronzed logo, matching with vehicle's details.
- Impact energy absorbing materials.
- Removable microfiber lining, with 3D net high wet absorption, silver ions and polygenic treatment for effective antibacterial activity.
- Brown inner lining that matches the color of the vehicle's saddle.
- Microsence and 2DRY treatments.
- Integrated manual sun visor.
- Micrometric retention system.
- Rubber piping.
- ECE 22.05 Homologation.
- Made in Italy.
- Size XS/54 S/56 M/58 -L/60 XL/61

606129M01EA	CASCO VJ1	946 EA	XS
606129M02EA	CASCO VJ1	946 EA	S
606129M03EA	CASCO VJ1	946 EA	Μ
606129M04EA	CASCO VJ1	946 EA	L

FLYSCREEN

1B000341

Hi-quality crash-proof screen.
The risers are made of molded aluminum, as the handlebar frame and the saddle plate. It is very light, it gives protection to the pilot without changing the whole aesthetics of this vehicle.

HELMET BAG

605815M0PM

Handmade in genuine leather (saddle color), it fits the Vespa 946 helmet. It can be easily and quickly fixed to the rear rack through Tenax automatic buttons.

Consistent materials and finishing make this bag a natural part of the vehicle's shape and style.

HANDLEBAR MUFFS

605819M

Made of coated, thermopadded polyammide for a perfect weather protection. Metal Vespa logo. This accessory is compatible with Vespa 946 only, therefore it cannot be used on other vehicles.

LEG COVER

605576M008

Made of coated, thermopadded polyammide for a perfect weather protection. Metal Vespa logo. This accessory is compatible with Vespa 946 only, therefore it cannot be used on other vehicles.

VEHICLE COVER

605924M

It's a snug fit lycra gear, that allows the marvelous, unique Vespa 946 shapes to stand out. It can be a suggestive tool for dealers when they organize teaser activities, or vehicle presentations, and when the shops are closed.

VMP (Vespa Multimedia Platform)

1D000763

It's a device which allows the scooter to be easily connected to a smartphone, transforming it into a true and proper on board computer, capable of managing all information relative to the vehicle and information useful for the trip. Installation kit required. (1B000593)

SMARTPHONE CRADDLE SUPPORT

1B000582000VR

Made of CNC aluminum.

Fixed under the handlebar frame. USB plug kit included (USB plug + plastic part to be attached to the vehicle).

PSS (Piaggio Sound System)

605933M

It's the new New Sound System developed by Piaggio Innovation Research Center. Bluetooth, no speakers, sound made by vibrations of "exciters" installed inside Vespa 946's body.

Installation kit required (1D000622)
